Air Blast Products

Blast Cabinets

- Suction Blast Cabinets
- Pressure Blast Cabinets
- Plastic Media Cabinets
- Shot Peening Cabinets
- Modified Cabinets
- Wet Blast Cabinets
- Micro-Blasting Cabinets
- Medical Device Blast Cabinet
- 3D Print/Additive Manufacturing

Automated & Robotic Systems

- Rotary Head Machines
- Continuous Turntables
- In-Line Belt Conveyors
- Intelligent Controls
- Robotic Systems
- Basket Blasters
- Cell Machines
- Tumble Barrels
- Indexing Turntables
- Robotic Load and Unload
- Process Monitoring
- Batch Processing Machines

Blast Rooms/Dust Collection

- Engineered Rooms
- Pre-Engineered Systems
- Pre-Assembled Rooms
- Abrasive Recovery Floors
- Abrasive Reclaimers
- Material Handling Systems
- Installation and Site Work
- Cartridge Dust Collectors
- Wet Dust Collection Systems
- Bag House Dust Collectors

Portable Blast Solutions

- Contractor Blast Machines
- Bulk Abrasive Blasters
- Vapor Blast Systems
- Soda Blasters
- Double Chamber Blasters
- Closed Circuit Blast Systems
- Compressed Air Dryers
- Abrasive Storage Hoppers
- Air Compressors
- Dust Containment Systems
- Surface Testing Equipment
- Fittings & Valves

PPE & Safety

- Blast Suits
- Blast Gloves
- Replacement Lenses
- Hearing Protection
- Abrasive Blasting Respirators
- Carbon Monoxide Monitors
- Supplied Air Filtration
- Climate Control Devices
- Ventilation
- Personal Air Monitoring

Expert Service/Spare Parts

- Demos
- Consulting
- Shop Repairs
- Field Service
- Warranty Services
- Engineering & Automation
- Preventative Maintenance
- Optimization Assessments
- Training
- Rentals
- Start-Ups
- Installations

Delivering Results Beyond the Surface

At SurfacePrep, we understand the importance of dependable and effective surface enhancement solutions.

That's why we leverage decades of expertise to provide customized process improvements, technical support, and tailored products designed to enhance your performance and efficiency. By partnering with trusted manufacturers, we ensure you receive only the highest quality solutions to meet your unique challenges. Our dedicated team is here to help you improve your process, enhance quality, and deliver on time with every project.

Our Solutions

Equipment & Process Solutions

We provide equipment for Air Blasting, Wheel Blasting, Vibratory Finishing, Grinding, Buffing, Polishing, and Paint/Powder Coating. Additionally, we offer customized process development to optimize efficiency and quality.

Consumables & Spares

We supply a comprehensive range of equipment spares, abrasives, media, and specialty materials to support various surface enhancement applications.

Service & Support

We offer installation, training, maintenance, and repairs to help maximize equipment performance and longevity.

Production Services

We offer in-house contract finishing services, allowing customers to outsource surface preparation and finishing processes without needing their own equipment.

Our Locations

We have over 50 facilities across the U.S., Canada and Europe, all of which are focused on enhancing product quality, consistency, productivity, and profitability for our customers. These top facilities, united under the SurfacePrep banner, provide consistent excellence and attention to detail.
