

SurfacePrep Wheel Blast Products

Tumble Belt Machines

- Skip Loaders
- Unload Conveyors
- Blast Wheel Motors from 5HP to 100HP
- VFD Drives for Blast Wheels & Belt Speed

- Magnetic Separators
- 1.5 ft³ to 60 ft³ Machines
- Touch Screen HMI
- 5 Programs as Standard

Table Machines

- Manually Loaded Machines
- Robotic Loading/Unloading
- Indexing Turntable Machines
- Tall Cabinet Open Table Machines

- Table Fixtures for Special Parts
- Magnetic Separator Options
- Blast Wheel Motors from 5HP to 100HP
- VFD Drives for Blast Wheels & Table Speed

Hanger Type Machines

- Continuous Monorail Machines
- Y Track Spinner Hanger Machines
- Carousel Style Hanger Machines
- Robot Loading/Unloading

- Manganese Parts Fixtures
- Touch Screen HMI
- 5 Programs as Standard
- Engineered Fixtures

Roller Conveyor Machines

- 3 ft to 15 ft wide Roller Conveyors
- 4 ft to 8 ft Blast Wheels
- Blast Wheels from 10 to 50HP
- Blow Off & Air Blast Touch Up Options

- Plate Blast Machines
- Vertical Section Scalers
- Vertical Plate Cleaning Machines
- Robot Loading & Unloading
- Vibratory Media Return Conveyor Options

Dust Collectors Wet & Dry

- Custom Sized Fan Motors
- Delta P Control Systems
- Ducting Drop Out Boxes
- Rotary Valves

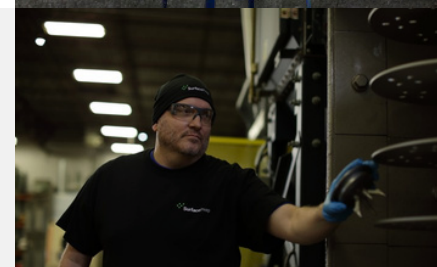

- Fire Isolation / Non Return Valves
- Explosion Vents
- Fire Extinguishing Systems
- Sludge Conveyors
- Automated Water Level Controls

Our Services & Spare Parts

- Sound Proof Enclosures
- Media Feed Hose
- Electric Motors
- Gearboxes

- Blast Wheel Components
- Machine Inspections
- Annual Service Contracts
- Operator Training
- Machine Rebuilds

Delivering Results Beyond the Surface

At SurfacePrep, we understand the importance of dependable and effective surface enhancement solutions.

That's why we leverage decades of expertise to provide customized process improvements, technical support, and tailored products designed to enhance your performance and efficiency. By partnering with trusted manufacturers, we ensure you receive only the highest quality solutions to meet your unique challenges. Our dedicated team is here to help you improve your process, enhance quality, and deliver on time with every project.

Our Solutions

Equipment & Process Solutions

We provide equipment for Air Blasting, Wheel Blasting, Vibratory Finishing, Grinding, Buffing, Polishing, and Paint/Powder Coating. Additionally, we offer customized process development to optimize efficiency and quality.

Consumables & Spares

We supply a comprehensive range of equipment spares, abrasives, media, and specialty materials to support various surface enhancement applications.

Service & Support

We offer installation, training, maintenance, and repairs to help maximize equipment performance and longevity.

Production Services

We offer in-house contract finishing services, allowing customers to outsource surface preparation and finishing processes without needing their own equipment.

Our Locations

We have over 50 facilities across the U.S., Canada and Europe, all of which are focused on enhancing product quality, consistency, productivity, and profitability for our customers. These top facilities, united under the SurfacePrep banner, provide consistent excellence and attention to detail.
